

## What can Parents/ Carers do to support their child with SEND?

Talk to us with any concerns you may have regarding your child and we will continue to support you and your child to ensure they achieve their potential.

Our aim is to provide all children with the best possible schooling experience in preparing them for life-long learning opportunities. We believe it is important that children acquire skills, knowledge and confidence that can be applied to all future learning experiences, including social, physical and spiritual development.

**How do we support children with Additional Learning Needs?**

**(Special Educational Needs and Disability— Our School Offer).**

## **What is Special Educational Needs and Disability (SEND)?**

There are four areas of need as stated in the SEND Code of Practice 2014. Whilst these four areas broadly identify the primary need of a pupil we, at Calton Primary School, also consider the needs of the whole child, which may also impact on a pupil's progress:

- Communication and Interaction
- Cognition and Learning
- Social Emotional and Mental Health difficulties
- Sensory and/or Physical.

## **How do we support children with SEND?**

We provide a range of support to ensure your child's individual needs are met. This support may include:

- 1:1 Teaching and or Small group work
- Additional or different resources.
- Targeted interventions

## **Who may support your child in school?**

We have a fantastic team of staff who are able to support your child:
