

YOU ARE INVITED

TO AN AWARENESS MORNING

FEBRUARY 29, 2020 | 10-12 PM
SKILLZONE
TUFFLEY LANE
GLOUCESTER
GL4 0AS

SAFER IN THE COMMUNITY

Infobuzz have been working in collaboration with the Police and Fire Service to deliver The Home Office 'Safer in the Community' project in your child's school.

Now we are excited to invite parents, and the rest of the family, to get involved by attending an interactive morning at the Skillzone. The morning will give you the opportunity to gain valuable knowledge and advice to further support your child to feel safe.

We hope you recognise the important message this project promotes, particularly as your child completes their final year at Primary School and prepares to move on to Secondary Education.

No need to book, just come along. We look forward to welcoming you and the whole family to what will be a fun and informative morning.
