

School Parliament News

Hi everyone!

4th March 2022

We hope you all had a lovely half term.

Recently, we have noticed that there have been an increasing number of suggestions regarding ways to improve how much we are recycling in school. As such, this is something we are going to focus on over the coming weeks. If you have any ideas for us, please pass them on.

In other news, Leyla (Y5) has kindly made a poster (see attached) to inspire others to do a small, good deed. Whether you choose to try and recycle more, or pick up litter you notice lying around, YOU can make a huge difference!

Red Nose Day

As you may already be aware, it is Red Nose Day on Friday 18th March. We have decided to have a non-uniform day to help raise money. If you'd like to participate, please bring in £1 or donate via ParentPay.

As well as this, we will be hosting a penalty shoot-out during lunchtime. If you would like to have a go against one of our members of parliament, please bring in a 50p donation or donate via ParentPay.

If you'd like to read more about where your donations go, follow the link to the website below:

School Parliament

Do A Good Deed

Today!

Hey, if your reading
this I hope you do,
do a good deed today and
even if you just pick
up even a coke can it
would still help the world.
So please do!

Litter picking

Recycling

Or you could even
try recycling! It's
super easy. you can
Recycle: plastic, paper,
cans, that stuff.

Why not try litter
picking? The other day
I went to the park
and there was so
much rubbish every-
where. It made me
super sad I wanted
to help!

So next time you see
a piece of litter or a plastic
bottle pick it up or recycle it.
