23rd April 2020 – Lockdown Week 5

We hope you all had some interesting times over the Easter weekend and the Easter bunny brought you some lovely treats?

For some of our friends and families another religious event starts today 23rd April and ends around 23rd May, **Ramadan**. This is the 30-day period of ritual fasting and abstinence marked by Muslims around the world and will be another of our religious festivals affected by corona virus.

Allocation of School and Playgroup Places

All pre-school children should have received a letter from Gloucester County Council regarding their school placement for September 2020. Could you confirm receipt of the letter and confirmation of the school you have been allocated by email?

I would also be grateful if you could let me know by email as soon as possible what sessions your child will require at playgroup from September 2020.

Activities

The Department for Education's Hungry Little Minds campaign features tips and practical activities that parents can do at home with children to support their early learning. There are many simple ways to help your child learn and it does not have to feel like "learning". Having everyday conversations, make-believe play and reading together all make a big difference to your child's development.
