May 2020

Dear Parent / Carer of:

Firstly, let me take this opportunity to welcome you to Calton Primary School. Starting their school journey is a unique and special time in your child's life. We are thrilled that you have chosen us and look forward to building a happy and successful relationship with you over the next 7 years.

We appreciate these are unprecedented times for us all, especially as you begin to think about your child starting school. We will do our best to ensure that your child will not be at a disadvantage because of this and that their transition will be a smooth one. As Head Teacher I am proud to be welcoming you to our school community. Here at Calton we have a brilliant, dedicated, talented and hardworking team of Teachers, Learning Partners, Lunch Time Supervisors, Cleaning and Caretaking Staff, Administration Staff, Calton Friends Association – made from dedicated parent helpers, an onsite Breakfast, After School and Holiday Club, Governors and as of 1st April our newly amalgamated Calton Playgroup. All of us are passionately committed to ensuring we are the best we can be for our school community.

When families join CPS we will always emphasise our school ethos 'Confident People Shining'. Together in partnership we can help your child make the best start in their formal educational journey no matter what life throws at us. We want them to experience seven years building strong relationships teaching them life-long **Skills**, **Team work**, **Achieving their best**, learning the importance of **Respect** and **Succeeding in life** in order to be Calton **STARS**, whilst creating lots of fun filled memories through learning and play.

Whilst things are going to be different this year we are busy working behind the scenes to ensure you have all the information you need for your child to make a smooth transition into school (hopefully) in September. We will be publishing information for you and your child over the coming weeks on our website www.caltonprimary.co.uk Once on the website, you can access the information by clicking on Main Menu; Parent Info: then click on Show Menu and finally New Parents Information September 2020. You can also contact us at admin@caltonprimary.co.uk and we will endeavour to answer all your questions. Please take some time to explore our Facebook page with our daily blog and our website, which has a wealth of information about our school; our policies and our newsletters tell you what we get up to.

The team and I look forward to meeting you and your children soon.

Best wishes

Sarah Bunce
