

Happy New Year!

We hope you all had a lovely Christmas break and are refreshed for the New Year. Just before we broke up the children had a visit from Santa and we had our Christmas lunch. This week we had a circle time to let the children talk about all the things they did during the holidays and some mentioned what Santa had brought them.

In Maths, we were working on our Maths Inter rail targets. This week, our focus is on number work and adding.

In Literacy, we are focusing on reading skills. We have been practising how to segment and blend words, read small captions and are beginning to read sentences.

Our new topic is 'Books, Books, Books'. Over the next few weeks we will be looking at different stories including 'Supertato' and 'Goldilocks and the Three Bears'. This week, we have been discussing our favourite books and what we like about the stories.

If your child would like to bring in one of their favourite books for us to read during story time at the end of the day then we are happy to read them, however, please can you ensure they are named to avoid anyone losing their book.

Please continue to supporting your child/children with their reading, their Red words and Maths Inter rail targets as this helps to secure their knowledge.

Thank you for your continued support.
