

## English

We will develop our story writing, write our own Roman myths and also create non-chronological reports on Pompeii. We will also create Roman information leaflets for our museum and develop our writing skills further by writing a soldier's diary.

## RE

We will look at Christianity and how people follow God and also what matters to Jewish people within their religion.

## Computing

We will become programmers and bug fixers.

## Spanish

We will develop our understanding of the Spanish vocabulary and Latin commands.

## PE

We will create our own dance related to our theme and also develop our skills and teamwork through learning about Basketball.

## The Rotten Romans!

### Geography and History

We will investigate the rise of the Roman Empire and the countries that were invaded. Create a timeline of key events. We will plot the route taken by the Romans and also the events that took place in Pompeii.

We will investigate reasons why the Romans settled in certain places on their travels, we will also visit Roman museums and remains to help us understand more about who they were and what they did to survive.

### Science

We will be investigating animals including humans. We will be looking at types of skeletons, naming bones, the functions of skeletons and their muscles.

### Key Vocabulary

Rome, Roman, Chariot, Empire, Republic, Pantheon, Standard, Baths, Amphitheatre, Gladiator, Barbarian, Centurion, Villa, Myth, Emperor, Basilica, Julius Caesar, Sword, Slave, Shield, Soldier, Aqueduct, Toga, Mosaic, Pompeii, Army, Ruling system

## Maths

We will continue to investigate Roman Numerals. We will learn about the written column methods for multiplication and division, add and subtract money, develop our understanding of length and perimeter and also look at different fractions.

## Art and D & T

We will develop our sketching skills as we sketch ourselves as Romans, We will create our own basket weavings, clay busts and artefacts as well as looking at Roman clothing.

## PSHE

We will explore 'Being Me in my World' and celebrating differences.

## Music

We will be learning Let Your Spirit Fly and how to play the Glockenspiel- paying attention to the tone, pace and tempo.
