

Wow, we cannot believe that we are writing our last Reception update for the academic year – Where has the time gone?? We have had some truly amazing experiences and wonderful learning opportunities throughout this past year and have thoroughly enjoyed getting to know your children, supporting them in their learning and watching them flourish into Confident People Shining in our school.

We have continued to be our best as all the children had lots of fun during our competitive sports day, racing against their friends, overcoming some tricky obstacles such as the parachute, which began to fly away with Mrs Smart and Mrs Stewart holding on to it!! Despite this we saw our children shine and demonstrate superb sportsmanship qualities as they cheered on their friends, who tried their best in their races whether it was the egg and spoon race, the hurdles or the sack races - just a few that spring to mind. Also a big thank you to all the parents/ carers, who came along to support us and participating in their own running races too!

Last week we sent the children off to experience 'a day in the life of a Year One,' during our transition day. The children were able to spend some time with their new teacher in preparation for September. We are sure the children were filled with lots of questions and excitement about what they will be learning about after the holidays.

We were very proud of Blue Class, who had their Class Assembly last week. They shared lots of information about dinosaurs, read their recounts from our trip to All Things Wild and sang beautifully.

Over the past fortnight the children have continued to dazzle us with their Maths and sound knowledge. We have also been developing our understanding of money and applying these skills into real life situations, such as being shop keepers, recognising different coin denominations to pay for items.

Towards the end of next week we will be collecting in reading books from the children so we can reorganise them in preparation for September. Please continue to read with your child over the holiday and sign them up to the Summer 'Space Chase' Reading Challenge, which is organised through your local library. There will be more information on our school newsletter.

Thank you for your continued support over this past year and we wish you all a wonderful Summer where you can make lots of fantastic memories with your children.
