

English

We will write a narrative story based on the Little Matchstick Girl linking to the Morelands factory on Bristol Road. We will then write a letter to our MP about an issue. A Gloucester information leaflet is next, encouraging people to visit. Finally, we will write some poetry.

Geography & History

We will compare Gloucester with a non-European country explaining why people have settled here. We will investigate the River Severn and how rivers are formed. We will investigate Biomes, temperature and forests. We will create a map to Robinswood Hill using compass points. In History we will investigate Gloucester through the ages.

Computing

We are opinion pollsters - designing a survey.

PSHE

We will explore all about relationships and how we change as we get older.

Glorious Gloucester

R.E

We will learn how festivals and worship show what matters to a Muslim exploring what it is like for someone to follow God.

Science

During practical lessons we will investigate movement over surfaces and magnetism: exploring poles, attraction and repulsion.

Key vocabulary for this topic

Gloucester	Matchstick	Cathedral	Attractions
River	Biomes	Temperature	Sketching
Biomes	Mosque	Robert Raikes	Small Pox
Siege of Gloucester		Cities	Countries
Earthquake	Flooding		

Maths

In Maths we will develop our understanding of fractions and start to investigate time. We will move onto angles and properties of shapes. We will finish the term with mass and capacity.

ART and D&T

We will sketch the Matchstick Factory in charcoal to create our front covers for Quest. We will paint a landscape from Robinswood Hill. In DT we will be making a pop-up mechanism creating building scenes using watercolour as the background.

PE

We will practice Athletics ready for Sports Day and explore striking and fielding.

MFL

We will learn classroom instructions and write phrases.

Music

We will listen to, appraise and play a piece of music, which is a song about kindness, respect, friendship, acceptance and happiness.
