### Coronavirus measures

Following the Prime Minister's statement yesterday, we will be following the advice given: If your child has a new continuous cough or a high temperature (defined as 37.8 C or above) please keep them at home (and isolate) for 7 days.

In order to stay open, we may need to combine classes and/or move children around the school. This advice also applies to staff.

### Encouraging Good Hygiene

If you have symptoms of cold or flu. There are measures you can take to stop germs: always use tissues to catch coughs and sneezes, then bin the tissue and wash hands. Wash hands often with soap and water. Avoid touching eyes, nose or mouth with unwashed hands. Avoid close contact with people who are unwell.

**Please can we ask parents/carers to regularly check <https://www.gov.uk/> for the most recent updates on the Coronavirus and advice from the Government.**
