

English

In English we will be using Roald Dahl's famous book, Charlie and the Chocolate Factory to inspire us to create our own character and a new adventure for Charlie and his friends. We will also be writing an informative and catchy advertisement for our brand new product! Later, we will be writing a biography for our chosen author, Roald Dahl. In guided reading we will read and talk about a wide variety of fiction, non-fiction and poetry linked to our theme.

RE

We will be looking at the religion of Islam and understanding Muslim beliefs and way of living. Later, we will be exploring the question 'Why is Easter important to Christians?'

PE

We will be developing skills in gymnastics. We will be practising core skills of jumping, balancing and the safety of looking after our body.

Geography

We will be locating the capital cities of the four countries that make up the UK. We will identify the continents of the world and the oceans. We will explore where chocolate was first made.

Art / D&T

We will study colour, tone and shade looking at the food art of Emma Dibben. We will look at still life drawings and how lighting affects the colours of objects. We will be designing our own packaging as part of our Enterprise Week.

Maths

We will learn different ways in which we can display data and statistics. We will explore how data can be represented in block graphs and pictograms. We will also develop our understanding of the properties of 2D and 3D shapes. Later in the term, we will learn about fractions and will link this to our work in the Autumn Term about multiplication and division.
