

English

To start with we will write to persuade someone to visit Greece. We will write a play script, an information text on the Ancient Olympics, and finish with a Greek myth.

Geography & History

Using atlases we will locate where Greece is in Europe and then compare it to Britain. We will use compass work to develop our map reading skills and identify why things change over time.

In History we will investigate who the Ancient Greeks were and why they important. We will investigate the culture and look at democracy and education

Music

We will listen to, appraise and play a piece of music, which is a song about kindness, respect, friendship, acceptance and happiness.

Groovy Greeks...

PE

We look at the modern Olympics, focus on our athletic ability and also complete a dance unit based on the Greeks.

R.E

We will learn about what festivals Jewish people celebrate and what kind of world Jesus would have wanted.

Science

During different practical lessons we will investigate what plants need to survive and how this can vary between different plants. We will also investigate the life cycle of a flowering plant. Along with learning about plants we will understand light and how it is reflected as well as investigating how shadows are created.
