

What an amazing Autumn term we have had and my how quickly it has gone! The children have continued to work hard in all aspects of their learning, which is just wonderful.

Over the past fortnight the children have been extremely busy learning their lines, singing songs and rehearsing on stage for our Christmas Nativity of Mend the Manger. The children looked amazing in their costumes, said their lines clearly for all to hear and were very proud to share it with their grown-ups and siblings. It was lovely to see so many people supporting us.

We have also had lots of fun making our Christmas tree decorations, which are proudly displayed on the Christmas tree in the main entrance. With Christmas in mind the children have been experimenting with mixed media and materials to create their Christmas crowns to wear for our Christmas lunch on Wednesday 18<sup>th</sup> December.

The children have been exploring 2D shapes, naming them and identifying their properties. We went on a shape hunt around the school and explored different shapes within our classrooms.

Over the next few weeks we will be visiting Santa, having our Christmas lunch, working on our Maths Inter rail targets and supporting 'Save the Children' by wearing our Christmas jumpers.

Please continue to supporting your child/children with their reading, especially their Red words and Maths Inter rail targets.

Thank you for your continued support, Have a wonderful Christmas break and Happy New Year!
