

English

We will persuade someone to visit Gloucester. We will write a narrative story based on The Little Match Girl, we will perform poetry, write a non-chronological report about Gloucester and write letters.

Science

During practical lessons we will investigate what plants need to survive and how this can vary between different plants. We will also investigate the life cycle of a flowering plant. We will also learn about light; looking at reflections and shadows

RE

We will look at how worship and festivals matter to Muslims and also what it is like for someone to follow god.

Spanish and Latin

We will develop our understanding of the Spanish vocabulary, learn instructions and key phrases.

PE

We will develop our Basketball and Athletic skills whilst also improving our key skills

Year 3

Sapphire, Emerald and Ruby Glorious Gloucester!

Computing

We will become communicators and pollsters.

Geography & History

We will locate and identify the Seven Wonders of the World. Plot routes taken by those who came to Gloucester. We will investigate the River Severn and how rivers are formed. We will investigate Biomes, temperature and forests. In History we will investigate the history of Gloucester, identifying key events - looking at famous local people and their contribution to our city.

Key vocabulary

| | | | |
|---------------------|------------|---------------|-------------|
| Gloucester | Matchstick | Cathedral | Attractions |
| River | Biomes | Temperature | Sketching |
| Biomes | Mosque | Robert Raikes | Small Pox |
| Siege of Gloucester | | Cities | Countries |
| Earthquake | Flooding | | |

Maths

In Maths we will develop our understanding of fractions as we add and subtract them. We will develop our understanding of time, identify the properties of shapes and also revisit and develop our understanding of mass and capacity

Art and D&T

We will create our own water colour washes, whilst working with a local artist. Develop our brush techniques and also enhance our sketching abilities. We will create mechanisms and also food linked to our theme.

PSHE

We will explore about relationships and also how we change and the changes we face over the next year.

Music

We will listen to, appraise and play pieces of music, which is a song about bringing us together.
