Head Teacher News

Find your own way. You don't have to follow the crowd. This is the next quote from "Only One You" by Linda Kranz.

We all are individuals who have talents and skills which need to be developed and nurtured. At Calton Primary School we aim to always recognise these whether they are academic, social or both. It is important that although we are a Calton Team we have a role we play within this and know how we can contribute in our own unique way. Think about all the different ways we are in a team - class, year group, Space Teams, sports teams, choir, clubs etc - the list is endless!

You may be a key player in the football team, someone who stands out because you are great at maths and shows others how they can get better or are especially aware when others are upset and help them. Whatever your strengths we aim to give all members of the Calton Community the

confidence to use them effectively as they take on what life offers!

Governor Vacancies

We currently have 2 co-opted governor vacancies.

A co-opted governor is a person appointed by the governing body and who, in the opinion of the governing body, has the skills required to contribute to the effective governance and success of the school.

For more information please contact the Chair of Governors at chair@caltonprimary.co.uk

Dogs in the Playground

Whilst we appreciate that many people love dogs, we have a number of children in school who are either frightened and/or allergic to them. We therefore ask that dogs are not brought onto the school playground.

Thank you for your support and understanding.
