

A plea for help from Year 6

As you can all imagine, this isn't the end to the year that we envisaged. Despite the restrictions, we are trying to do our best to carry out some of the Calton end of school traditions. One of our favourite traditions is 'Soak the Teacher' in order to get our own back from all the hard work they have made us do! Normally, staff sit on chairs out in the sun and we all pay to throw a sponge at our 'favourite' teacher or pour a bucket over their head! All of this is for good cause - raising money to pay for our Year 6 Leaver's hoodies. This year it will be a bit different but hopefully still a bit of fun for everyone either at home or in a satellite in school.

Staff have volunteered (or in some cases been volunteered) to have a bucket of water poured over their head which will be captured on camera and uploaded onto Facebook. Staff will only be soaked if enough money is raised. The number of staff soaked is up to you. For every £10 raised another member of staff will be soaked. If, as a school, we can raise £200 then all 20 teachers below will be soaked - think of the entertainment!

The order for soaking has been decided by us – the Year 6 children currently in school. The order is:

1. Mrs Adlam
2. Mrs Norris
3. Mrs Orchard
4. Miss D
5. Mr Holton
6. Mrs Preedy
7. Mrs Mumford
8. Mr Clement
9. Miss Stainton
10. Miss Burkett
11. Mr Coughlin
12. Miss Mabey
13. Mrs Clark
14. Mr Page
15. Mrs Newnham
16. Mrs Cross
17. Mrs Yeomans
18. Miss Thomas
19. Miss Stanley
20. Mr Pinchbeck

Please help show your support and help us bring a little bit of cheer before we set off for Secondary school. To donate to 'Soak a Teacher' please visit parent pay.

Best wishes

The Year 6 Children ☺
