#### **Head Teacher News**

"All children have the right to a name, food and drink, a place to sleep, a home to live in, have time for play, be cared for, have their needs met, have a belief or religion, be protected, live on a planet that is cared for, be loved and learn." These principles are taken from the United Nations' Rights of the Child. This is what I had begun to look at in assemblies this year and which I have continued in my weekly newsletter piece through lockdown. In this time of a world pandemic these words seem even more relevant.

Here at Calton we have aimed to fulfil all of these statements during this time and will only continue to do so as we look forward to a new (although slightly different) academic year. Now we "end" this year please look out for Reports which are due out electronically this week. Hopefully they will reflect as much as we can say about your child/ren and give a springboard from which to begin in September.

Of course whilst we are preparing for you coming back I want to say a big farewell to the Year 6's who have secondary school to look forward to. It has been lovely to see so many of you come into school for the last term but wherever you have been I know that Calton has prepared you for what lies ahead - you make us very proud. Also I am sure you will wish Miss Natalie Thomas well as she is leaving Calton in order to go and live in another part of the country.

As I write this I message to £500 towards this means I set the amount so are obviously community happen donated

have just had a say that we have raised the Year 6 Hoodie fund - there is no getting out of it, challenge to raise this that I get soaked, there a lot of you in the who wanted that to (even my husband £5.00!).

Through the summer remember to shine like the Calton **STARS** you are. Enjoy the break!

Sarah Bunce

# Calton Playgroup News

We have all been very busy playing, hope you at home have too?

We had a splashing time helping to 'soak the teacher' in the playground.

Enjoy the summer holiday and we wish all the best to our children going to School in September and starting their next adventure.

Don't forget to come and say "Hello". We are also looking forward to welcoming our new playgroup children into the setting, our adventure is only just beginning.

Stay safe everyone

Jackie and The Playgroup Team

Olivia in Year 1 found a conker in her garden which had started to sprout, it has continued to grow and so she brought it in to school as she wanted to show people. Jackie Swankie, Playgroup Manager, has taken it to grow it on a little more before it gets planted out somewhere on our school site.
