

We have had such a fantastic time getting to know the children this week. It has been great to see them settling in and making new friends. We have worked on getting used to the routine of the school day. We made our own class rules and talked about how we sit smartly, use our listening ears and put our hands up. We have enjoyed finding our pegs and drawers and we have loved playing with lots of different toys, both inside and outside.

We also read the story, 'I'm Special, I'm Me.' We had a circle time to talk about what we are good at and what makes us special. Some children said they were good at painting and running, whilst one child said, "I'm good at juggling, back flips and cart wheels."

The children really have had a fantastic first few days at school and we are very proud of how they have settled in. They are very excited to be staying for lunch next week. ☺
