

Welcome back to Term 2 and what an action packed term we had ahead! We are also pleased to Welcome Miss Letts to Red Class after being on Maternity leave.

Over the past few weeks we have been busy consolidating our numbers and selecting the correct numeral to represent a certain amount of objects. We have been so impressed with the children's counting – Well done everyone!

We have also continued to learn new sounds during our Read Write Inc phonic session; the children have been applying these skills when recognising sounds and reading cvc words such as pig, cat and bin.

The children were also very excited to talk to us about fireworks night, some of the children were able to recall some of the history behind fireworks night, which was fantastic! We decided to recreate our own firework pictures using mixed media and various materials to create firework patterns.

This week we have learnt about Remembrance Day and the importance of poppies. We watch a video which simply explained the history behind this and had fun creating poppies ourselves.

Over the next few weeks we will be looking our best for our photographs (13th November), supporting Children in Need by wearing yellow or spots and beginning to learn songs for our Christmas play (see dates on the Newsletter).

Please remember to keep up the great reading, maths inter rail targets and phonics practise at home.
