

## Head Teacher News

Christmas really is in full swing here at Calton! Very well done to Reception and Year 1 for their wonderful Christmas performances. I know the grown ups who came to watch were very impressed and proud of you all. A big thank you too to the audience members who donated towards our collection (where half of the money raised is going to school to help pay for resources needed to put on more performances and half towards our chosen charities). I will let you know how much we have raised in the next newsletter.

As our minds are now turning to Christmas and all the fun and joy which comes at this special time of year I would like to use this opportunity to wish you and your loved ones a very happy time and to also remember people who are less fortunate.

We have been considering the importance of eating and drinking healthily during my assemblies and I have asked for some thought to be given to what the children have for their school snack - fruit and vegetables are always the best option. Over the next few weeks there will often be a lot of "treats" to be had, enjoy them but try to have food which is good for you too!

Have a lovely break and we will see you all back to school on January 6th 2020 when in my assembly we will start thinking about how important **play** is!

Whilst we welcome siblings into school to watch assemblies and other performances we will also provide a crèche facility and would like to encourage parents and carers to use this. Younger children are very welcome to attend performances and assemblies however we appreciate that sometimes it is difficult to occupy them whilst watching the children. If you choose not to use the crèche facility and your younger child/ren are causing a disruption you will be kindly asked to leave the performance. Thank you.

### OPAL

As **OPAL** at Calton grows, we plan to use the field on a more regular basis and in most weather. From January your child will need waterproofs and wellies in school to be able to use the field during wet weather. During next term we will be asking for further specific donations, which we will publish in due course. We will also be holding parent OPAL events, where you will be able to use key play types and experience what OPAL at Calton has to offer. Please keep an eye out for updates.

Thank you Mr Coughlin and the OPAL team.

### Safe Collection of Pupils from School

Our children's safety is of paramount importance to us all. The end of the school day is a busy time, and our aim is to ensure children are dismissed carefully, under strict supervision, collected on time and arrive home safely.

Staff will release children at the end of the school day from their respective doors to a responsible person that is known to school.

If, as a parent or carer of a child at Calton Primary School, you make arrangements for your child/ren to be collected by another person, it is important that you contact the school office and inform the staff of these arrangements. The authorised person must be a responsible individual aged 16 years or over.

A password will be asked to be provided which the person collecting must also have in order to say to the member of staff releasing the child/ren from school.

Children will not be released to any person that is unknown to school or to another parent unless the school office has been notified in advance.

Any unknown person collecting children will be challenged by staff and permissions checked with the parent/carers. We will also check that children are happy to be handed over to these individuals and that they are known to them.

Thank you for your understanding.

### Important message from Key Stage 1 staff: Pokemon Cards

Key Stage 1 would like to ask for your support in keeping Pokemon cards at home from now onwards. While we appreciate the social and educational value this game can have, the younger children are struggling to maintain fair trades during this time. Instead Key Stage 1 will be investing in our own set of Pokemon cards and Top Trump cards. Children will be able to play with these at set times and will be able to learn the importance of fair trades and sharing with adult support when needed.

### Tokens for Books

The Sun and The Sun on Sunday newspapers are running a book promotion for schools. There are tokens in the papers to cut out and hand in to school. If we collect 3,500 by January 16th we will receive free books for school in March. Please hand tokens in to the Class teacher. Thank you.

### Christmas Jumper Day

We will also be having our Christmas jumper day on **Wednesday 18th December**, £1 donation for the Save The Children charity.
