

## ENGLISH

In English we will be writing a biography based on key historical people linking to our topic of Crime and Punishment. We will then be creating our own animals and writing a NCR whilst recapping our knowledge of evolution and adaptation.

## MUSIC

We are continuing to learn notes names and values whilst playing the Glockenspiels.

## PE

First we will be completing our topic of Netball and then carrying out an intra-house tournament. We will also be covering cross-country.

## COMPUTING

As we learn about our topic we will be creating PowerPoints to display key information and adding hyperlinks. To present our PowerPoints we will be practising our speaking and performance skills.

## HISTORY

We will be looking at how Crime and Punishment developed from the Romans, through the Georgians, Tudors and Victorians to the current day. We will use this information and write case studies, diary entries and persuasive arguments.

## MATHS

In Maths we will be working with fractions and learning how to use the four main operations with fractions. We will then move on to decimals and percentages.

## SCIENCE

In science we will be expanding our knowledge of electricity whilst conducting experiments and practising our skills of working scientifically.

## ART

In art, we will be studying the work of Edward Munch.

# Crime and Punishment

## TOPIC VOCABULARY

Exile	Pillory	Jury
Judge	Court	Execution
Gladiator	Arson	Lawyer
