

Reception News

We have had an exciting couple of weeks in Reception. We have loved reading and getting to know the Supertato stories. We have talked about the main events and characters in the story and we have enjoyed acting it out with small world props.

We also got the chance to make our own fruit and vegetable heroes. We chose from lots of vegetables and made lots of supertatoes, super apples, super parsnips and super carrots! We also thought about what our super vegetable might be saying and we wrote our ideas in speech bubbles.

In maths we have been focusing on addition and subtraction. This has involved using the language of more or less and finding one more or one less than a number. We have now moved on to looking at number sentences and finding the answers using lots of different resources.
